Section 1 Definitions

Agent or Vessel Agent	The party or entity which submits the application for berth.
Arrival At Berth	The time the initial docking tugs arrive at the vessel to commence berthing shall be considered as the arrival time.
Berth	The water area at the edge of a wharf, including mooring dolphins, used by a vessel while docked.
Day	A consecutive 24-hour period.
Departure From Berth	The time the undocking tugs depart from vessel shall be considered as the departure time.
Dockage	The charge assessed against a vessel for berthing at a wharf, pier, dolphins, bulkhead, structure or bank or for mooring to a vessel so berthed.
Inland Watercraft	Wherever used in this tariff, the term "Inland Watercraft" shall include all vessels, private and public, ordinarily operated on rivers, lakes, canals, and other inland waterways employed in any maritime service, task, venture, voyage, or mission, commercial or non-commercial, of a private or public nature. The term "Inland Watercraft" shall not apply to any vessel in tow by another vessel or barges used in movement aboard ocean vessels entering or leaving the harbor destined to or from any point via the Gulf of Mexico.
Ship	Any self-propelled seagoing vessel.
Stevedore	One who works at or is responsible for the loading or unloading of a ship or vessel.
Tugs and Towboats	Vessels which do not carry freight or passengers, but are used to tow or push other vessels.

Section 1... *continued*

Definitions... *continued*

User	A user of the facilities leased and /or controlled by the terminal shall include any vessel or person using any properties, facilities, or equipment, or to whom or for whom any service, work, or labor is furnished, performed, done, or made available by terminal, or any person owning or having custody of cargo moving over such facilities.
------	---

Vessel	Includes within its meaning every description of watercraft or other artificial contrivance whether self-propelled or non-self-propelled, used, or capable of being used, as a means of transportation on water and shall include in its meaning the owner thereof.
--------	---

Vessels Engaged in Foreign and Coastwise Trade	Wherever used in this tariff, the term "Vessels Engaged in Foreign and Coastwise Trade" shall include all vessels, private and public whether self-propelled or in tow or barges used in movement aboard ocean vessels, entering or leaving the harbor destined to or from any point via the Gulf of Mexico, employed in any maritime service, task, venture, voyage, or mission, commercial or non-commercial of a private or public nature.
--	---

Wharfage	A charge assessed against the cargo of vessel on all cargo passing or conveyed over, onto, or under wharves or between vessels (to or from barge or lighter) when berthed. Wharfage is solely the charge for use of certain facilities and does not include charges for any other service.

Item 10	Application of Tariff & Amendments	<p>The rates, rules and regulations contained in this tariff shall apply equally to all users of the facilities and shall apply to all services on the effective date shown on this tariff or any amendments thereto.</p> <p>Amendments shall be issued to cover changes in this tariff, but this tariff is subject to change without notice.</p> <p>ATSB shall be the sole judge as to the interpretation of this tariff.</p>
Item 15	Consent to Terms of Tariff	<p>The use of the facilities under the jurisdiction of ATSB shall constitute a consent to the terms and conditions of this tariff, and evidences an agreement on the part of all vessels, their owners and agents, and other users of such facilities to pay all charges specified in this tariff and be governed by all rules and regulations herein contained.</p>
Item 20	Negotiated Rate Option	<p>ATSB reserves the right to negotiate all-inclusive rates, volume rates, incentive rates and/or special arrangements under this tariff.</p>
Item 25	Measurement of Vessels	<p>ATSB reserves the right to measure all vessels when deemed necessary; said measurement to be used as a basis of charges.</p>
Item 30	Manifest Report	<p>Vessels, their owners or agents, shall submit to the ATSB a manifest within five (5) working days of loading to or discharging from the vessel. ATSB reserves the right to audit all manifests and to use such audits as a basis for charges. Failure to comply with this requirement will result in the assessment of a penalty of \$100 per day for each day the Manifest is not submitted.</p>
Item 35	Time, Computation of	<p>All charges are based on straight running time except where otherwise stated. A day in computing charges shall be considered as commencing when the vessel arrives at the berth and shall comprise a period of 24 hours</p>

General Information, Rules and Regulations... *continued*

Item 40	Dumping into Waters	The dumping of oil, oily waters, grease or other objectionable matter into the waters of the Mississippi River is prohibited by National, State and local laws and ordinances.
Item 45	Storage of Gasoline or Other Liquid Petroleum Products Prohibited, ETC.	The storing of gasoline, distillate or any liquid petroleum products other than lubricating oils or kerosene or any automobiles or trucks upon the wharves or landing is prohibited except as otherwise provided. Gasoline, distillate or any liquid petroleum products other than lubricating oils or kerosene, will be permitted to be received on Arabi Mooring Dolphins for a vessel at berth, but the same shall not be placed in close proximity to other freight subject to damage by contact.
Item 50	Damage to Property	Persons and vessels responsible for damage to property of ATSB shall be liable for the expense of the replacement or repair to property damaged or destroyed. In the event damage is done to any facility by any person or vessel a report must be made in writing to ATSB to the extent of such damage.
Item 55	Cleanliness	Exceptional cleaning: Charges for exceptional cleaning will be based on cost of labor required to perform the service, plus 20%, plus cost of materials or supplies required to clean the assignment.
Item 60	Hazardous Commodities	Shipment of articles classified as explosive or dangerous by the U.S. Coast Guard will be accepted only after a full compliance by shippers or delivering carrier with the rules and regulations of the Interstate Commerce Commission governing the transportation of such articles. Wharfage and handling facilities will not be provided except under special arrangements.
Item 62	Material Safety Data Sheets	Users of ATSB facilities are required to provide its management with Material Safety Data Sheets on all commodities handled for their account, prior to arrival at ATSB facilities.

Item 65	Berth, Application For Mooring Dolphins	Application For Berth Persons desiring a berth must apply to ATSB (on forms furnished by ATSB) not less than 48 hours in advance of the proposed time of use. If space is available, ATSB will notify the applicant of a berth assignment by returning a signed copy of the application with the assignment noted thereon The application and berth assignment shall constitute a contract by and ATSB and Applicant. Should the vessel which has filed an Application For Berth be ordered to berth and refuse such berth for any reasons, refiling will be required in accordance with the provisions of this Tariff.
Item 70	Insurance Requirements	ATSB shall not be responsible for marine loss or damage to the cargo or commodity handled, or to vessels, barges or other waterborne vessels moored to ATSB controlled facilities. In all other matters, ATSB shall not be responsible for delay or damage of any nature whatsoever when caused by any cause beyond its control, however or wherever arising. All vessels and/or users of the ATSB leased Mooring Facilities hereby assume sole and full responsibility for the injury to or death of any person, or to damage or destruction of property of the vessel or user of the ATSB controlled facilities, when same is caused by, arises out of, or is incident to or in connection with the vessel's or user's use of the ATSB leased Mooring Facilities, its equipment or continued services. All vessels and other users of the ATSB leased Mooring Facilities hereby agree to indemnify and hold harmless ATSB and all persons, firms or other entities which may manage, own or control the operations of said ATSB controlled facilities from and against any and all claims, actions, damages, liability or expense, including court costs and attorney fees, in connection with the loss of life, bodily injury and damages or loss of property, incident or resulting from their operation at the ATSB leased facilities or use of the adjoining facilities.

Good Friday	Day after Thanksgiving													
Easter	Christmas Eve													
Memorial Day	Christmas Day													
Item 80	Weather	<p>If, in the opinion of ATSB, the weather conditions so warrant, any vessel or barge in berth may be ordered at any time of the day or night to vacate the berth until such time as weather conditions permit the vessel or barge to return to berth.</p>												
Item 85	Delays Caused by Vessel	<p>Should a vessel at berth find it necessary to receive fuel, water or stores; or to discharge ballast of whatsoever, such activities must be scheduled in advance with ATSB so that stevedoring activities will not be delayed. All time lost as a result of said activities will be charged against the vessel, its owners and/or agents at a rate of \$5,000.00 per hour.</p>												
Item 86	Failure to Vacate Berth	<p>ATSB shall have the right, in its sole discretion, for any reason it shall determine desirable, without waiver of any rights ATSB may have, to order, without cause, the vessel to vacate the berth at any time. Should the vessel fail to vacate the berth, the vessel shall pay, upon demand, the rate of \$5,000.00 per hour. Such damages will commence one hour after ATSB issues its order, either verbally or written, to vacate the berth and shall be assessed continuously until the vessel physically vacates the berth. In addition, all costs and expenses in connection with the moving of the vessel, but not limited to attorneys fees and expenses incurred by ATSB, shall be for the account of the vessel.</p>												
87	Fleeting	<p>Barges are to be fleeted at ATSB's designated harbor services twenty-four (24) hours in advance of the scheduled load/discharge date.</p>

Item 90	Payment of Charges and Invoices	<p>The applicant, either directly or through a cargo forwarding agent, shall be responsible to ATSB for payment of all charges payable hereunder arising directly or indirectly out of the activity described in the Application For Berth. Other users shall be responsible for such charges as may be applicable in respect of their use. ATSB reserves the right to hold any vessels, their owners, and agents who load or discharge cargo at ATSB facilities liable for payment of all charges.</p> <p>If at any time ATSB is required to employ the services of an attorney to collect amounts due, protect any rights, or otherwise take action against the Vessel for the enforcement of terms set forth herein or otherwise, the vessel and the party executing the Berth Application shall pay the reasonable fees such as attorney, plus all expenses and court cost of any legal proceedings</p>
Item 95	Delinquent List	<p>All persons and entities placed on the delinquent list for reasons heretofore stated may be denied further use of ATSB facilities until all charges due have been paid in full.</p> <p>An interest charge of one and one-half percent (1 1/2%) per month may be levied against invoices more than thirty (30) days old.</p> <p>ATSB reserves all other legal remedies for enforcement of its rights under this Tariff and denial of use of the facilities shall not limit those other remedies.</p>
Item 100	Collection of Charges	<p>ATSB reserves the right to estimate and collect in advance for all charges payable in respect of activities described in an Application For Berth. Use of the facilities may be denied until such advance payment has been made to ATSB. ATSB reserves the right to apply any payment received against the oldest ATSB invoices rendered against the invoicee.</p> <p>In any event, payment for all activities described in the Application For Berth or otherwise due shall be paid in full prior to arrival to the berth by the vessel.</p>

Item 110	Furnishing of Billing Information	All vessels, their owners, charterers or agents shall upon request of ATSB, promptly report to ATSB all cargo loaded or discharged and in addition, shall also be required to furnish any other information which ATSB may deem necessary for issuing invoices against the cargo vessel or other carriers.
Item 115	Gross Tonnage	As used in this tariff the term Gross Tonnage, Gross Registered Tonnage or Gross Tons with respect to vessels engaged in foreign, coastal or intercoastal trade shall be the tons appearing in Lloyd's Register as the official gross tonnage of the vessel. Where two gross tonnages are assigned to certain vessels in association with a Tonnage Mark on the vessel's sides, the higher figures will be applicable in determining gross tonnage for the purpose of assessment of charges under this tariff.
Item 120	Harbor Tugs	<p>ATSB will provide harbor tugs for berthing and departure of ALL vessels and ocean barges. A MINIMUM of one tug is required for berthing and departure. ATSB reserves the right to amend the number of tugs requested. Refer to the Berth Application for harbor tug information or call the Terminal Office for information and current rates</p> <p>All costs associated with Harbor Tug assistance are solely for the account of the vessel, including those required for high water conditions. High water shall mean any river condition where the depth at the Carrollton River Gauge is at ten (10) feet or above.</p> <p>Whenever high water conditions exists, all vessels entering any of ATSB's Moorings shall be required to be assisted by three (3) adequate tugs as determined solely by ATSB's management.</p> <p>All tugs shall assist any arriving vessel until released by the compulsory pilot.</p>
Item 125	Launch Service	ATSB will provide a Launch Boat Service for ship personnel and agents of others having official business on the vessels moored at Mile Post 86.5 AHP Buoys through 89.5 AHP buoys. All launch fees and any additional surcharge(s) are solely for the account of the vessel.
